Description / Abstract

In 2019, the Government of Grenada (GOG), GWP Caribbean and Caribbean Community Climate Change Centre (CCCCC), under the lead of the Ministry of Finance convened a wide range of stakeholders to design actions for the creation of a new National Adaptation Plan to be submitted to the Green Climate Fund, with one of the areas of interest focusing specifically on advancing in IWRM. The result includes thirteen action points related to IWRM. The action planning process was supported by the SDG 6 IWRM Support Programme.
