

 RESOURCE

English Book of Ali and the Flying Lake

|

Description / Abstract

A children's book about water, environment and climate change.

Ali a Chinese-designed cartoon fox character and is well known in China. One day, Ali found a small Lake is shrinking, due to climate change and human activities. In order to save the Lake and the world, Ali and friends embarked on an amazing journey. Lake was using up every drop of water to help others on planet and was dying. In the end, with help from friends, Ali saved the Lake and the world.

In 2022, UNICEF China and the Ministry of Water Resources of China collaborated to produce and launched the English version of this picture book for sharing with children and partners around the world to advocate for clean water, safe environment and a better future for every child.
